Assessment

Assessment

Format [   ]   Source [   ]

Qualified / Not qualified

[Draft   ⇅]

When you choose 'draft' from the drop-down menu and press 'Send', a draft version will be saved, and you can access it again.

When you choose 'qualified' or 'not qualified' the assesment will be saved as final in the system and can no longer be changed by you.

Please enter the assessment in the **Assessment Text** field and submit it to us by pushing the **Send** button.

The other committee members can only view the **Assessment Text** area.
